

# SBAC Business Supporters

SBAC Business Supporters have a special place in our organization. These entrepreneurs, professionals, non-profits, small business owners, and advocates help fund the SBAC and fuel our advocacy efforts. They also become part of our community, creating opportunities for folks to connect, collaborate, and grow their businesses and organizations

## Here are the benefits of becoming an SBAC Supporter:

- Four Business Supporter only SBAC Update/Networking in-person Networking Events (Quarterly)
- Exposure through our directory
- 10% discount on our three signature events and on smaller **SBAC** events throughout the year
- “Proud Small Business Advocacy Council Supporter” button for your website and social media
- Shout out as a new **SBAC** Supporter in our events newsletter and on social media.
- An **SBAC** pin to acknowledge support for the small business community.

We understand some folks would simply like to contribute to the **SBAC** and support our efforts. Anyone who contributes more than **\$100** will receive an **SBAC** pin as a thank you for their generosity.

You can become an SBAC Supporter [here](#).
